

A brief sharing

How we started, what do we actually do and how we are outlasting covid

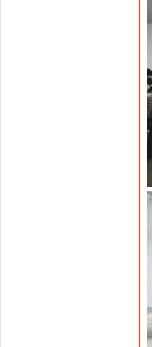

Internationalisation

What is our strategy for internationalisation and challenges we faced

Sustainability

How do we play a part in sustainability especially since we are dealing with cars?

We started with a very simple idea of trying to make the sale and purchase of cars easy and transparent

111111

2016

Started Genie Financial Services with the aim to serve all auto buyers financial needs

2017

Expanded our team into Indonesia and Thailand

Raised \$100m, acquired jualo.com, invested into myTukar, started Singapore's first car subscription service and setting up Carro Care – our aftersales workshop service

2020

Started Singapore's first contactless viewing and buying, Usage based insurance, setting up Carro Automall in Thailand and Indonesia

2021 - 2022

Raised \$460m, started Singapore's first usage based insurance and maintenance Connecting the right car to the right people
